

Our Road Safety Walk

On Tuesday 4th March a man called Mr Crozier came to our school and took our class on a Road Safety walk. He talked to us about the Zebra Crossing and the Pelican Crossing. He talked to us about the different hazards that we can come across when we are out and about. We walked past Katie-Jo's house and her dogs started barking and this was a 'distraction'. We all had to wear reflective jackets on our walk so that we could be easily seen. We all learnt a lot and we got a hat, ruler, marker and pencil because we were so good!
